### Bed and Breakfast Villa Arion - Room U 'De Uiterwaarden'

This spacious air-conditioned room features a sleeping area, own kitchenette, private bathroom and living space. We can arrange the beds in the form of two single beds or as a double bed of 180 x 210 cm. The beds in this room have extra length. The sofa bed in the living area makes it easy to make an extra bed of 132 x 193 cm. The space of Room U is therefore suitable as a family room.

In shared access to the two B & B units is a kitchenette with fridge, combi oven microwave and induction hot plate. If reserved, a self-service breakfast for both rooms will be set in this area.
